

CONDENSER SUPPORT

B-Revoc Wall Support Bracket

KEY FEATURES

- All bracket features as B2090.
- RAL9010 bracket cover finish.
- Cover manufactured from UV stabilised polypropylene.
- Superior bracket assembly aesthetics.
- Cover simply clicks onto bracket, no fixing required.
- Cover can be painted to suit.
- B-Revoc cover provides enhanced protection against the weather.
- As robust weather protection as Composite brackets, with Max load capabilities provided by metal brackets.
- Water managed drain holes to avoid unsightly staining on wall surface.
